

## FROM THE DIRECTOR

Well, it was a wild ride but we made it to 2021. This has been a trying year for everyone, even if we did not have the COVID pandemic. Although, 2020 is a hard year to forget, we will continue to move forward by offering your child a loving and healthy, learning environment.

Paul commands believers to possess the attitude of strong determination. He confesses, "Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus" (Philippians 3:13-14). Even though this is a new journey in life for all of us, we can never forget that God is leading the way for us. Our children are watching and learning from us on how we deal with challenges in life. We must move on and be perpetually challenged with what God has yet for us to do so that we stay in consistent dependence on His grace, strength, joy and wisdom.
