I also wanted to address teacher requests. Our experience over the past 20-plus years has shown that it is best to allow our staff to have the key input on where a child should be placed for the next year. Therefore we will not accept teacher or friend requests. I hope you understand that we always have your child’s best interest in mind when making decisions, and we thank you for entrusting them to us.

Sincerely,

*Kim Porcheddu*
